

New England FAAS Team presents:

4 DAYS! - FAA CAMI PROTE Device High Altitude Training and Exposure

A 4 DAY EVENT!

This is one of the best ways that General Aviation Pilots can experience and learn more about hazards, symptoms and effects of higher altitude flight operations. This is not to be missed, as this opportunity does not come around often. We will have 150+ slots available and is a great opportunity for schools, operators, clubs and individual pilots of all types. Expect about 1 hour total for your assigned/sign-up block.

Dates will be Wed June 21 through Sat June 24th starting at 8am going through 3:30PM (except Sat)

There are some requirements for pilots that sign up, no exceptions, as you will be required to present these documents at your allotted time:

AGE – 18 years old or older only

FAA Medical - At least a current & valid Basic Med or Third Class (or greater) medical.

Pre-Registration is required at the following link:<https://www.signupgenius.com/go/10C084CAFAE2DA0FEC52-faacami>

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.
